Upgrading, Troubleshooting, Virus Removal, Data Recovery, and More

When your computer stops working, you need reliable help and not frustration. Gorilla Strong Computer Repair provides professional, affordable computer services for homes and small businesses throughout Beaufort, South Carolina, and the surrounding Lowcountry.

1. Who We Are

Gorilla Strong Computer Repair is a locally owned and operated business committed to honest service, quality work, and fair prices.

With more than 22 years of experience, we can help with computer repairs, hardware upgrades, software problems, virus removal, data recovery, and other technology needs. We take the time to understand each problem, explain the available options, and recommend the solution that makes the most sense for you.

Much of our business has grown through customer referrals. We are grateful for that trust and work hard to earn it with every repair.

Visit our Services page at <https://www.gorillastrong.com/services/> to learn more or contact us today to discuss your computer needs.

2. Experienced and Certified

Technology changes quickly, so proper training and continued education matter. Our professional certifications and hands-on experience allow us to provide knowledgeable and dependable service.

Meet Melvin S. McCarthan Jr.

I began working with technology at age 16 and quickly developed a passion for helping people solve computer problems. At age 20, I became a Microsoft Certified Professional. I later earned my CompTIA Security+ certification and started my first business at age 23.

Over the years, I have helped people of all ages throughout South Carolina's Lowcountry, Florida, Georgia, and other states achieve their technology goals.

My education and certifications include:

- Bachelor of Science in Computer and Information Systems and a Certificate of Concentration in Software Development from Champlain College
- Associate Degree in Engineering Technology / Electronics Technology from the Technical College of the Lowcountry
- Microsoft Certified Professional
- CompTIA Security+ certification
- OSHA 30-Hour General Industry Safety and Health Certificate

I remain committed to continuing my education and providing every customer with professional, respectful, and dependable service.
